

Circle Kick Soccer

How to Play?

- In groups of 6
- Children join hands to form a circle
- Medium sized ball is rolled into the centre of the circle.
- Players trap, block and pass with feet and legs, but keep hands joined.
- If the ball goes outside the circle, the players between whom it passes are eliminated from the game.
- When all but 3 are eliminated, the game is over.

Circle Kick Soccer

Make it harder

- Limit players to 1 touch.
- Add more people to the circle.
- Add more balls.
- Use a smaller ball.

Make it easier

- Allow as many touches as needed to control the ball before passing.
- Use a larger ball.
- Less people to the circle.
