

Dodgems

How to Play?

- Each child holds a dome like a steering wheel and run about the area steering right and left to turn.
- Use dodging skills to avoid bumping into the rest of the children.

Dodgems

Make it harder

- Make the play area smaller.
- Introduce gears, 1-5 and reverse.
- Challenge children to stop correctly 'BEEP' their horn and move off again.

Make it easier

- Increase the size of the play area.
- Reduce the number of players in the area.
- Play walking before running.
