

Foxes & Hens

How to Play?

- Scatter multi-makers around an area.
- Coach selects two children to become Foxes and the remainder of the children are the Hens.
- Foxes place a multi-marker on their head and on coaches call attempt to catch all the hens.
- When hens are caught they then lift a multi-maker place it on their head and become a fox as well.

Foxes & Hens

Make it harder

- Play within a smaller area.
- Play game walking.
- Increase the number of foxes.

Make it easier

- Start with 1 fox.
- Play within a larger area.
- Have the foxes travel using a different method. (Jumping, hopping skipping)
